

# Study in Marlborough

**Message from the Principal**  
- Jarrod Dunn

At Marlborough Boys' College, we aim to inspire and empower our learning community to be the best they can be. Through academics, extracurricular activities, cultural and sporting pursuits. Essential to this are the school's four key values: respect, responsibility, involvement and pride. Gaining the capabilities you need for the future: collaboration, creativity, critical thinking, and global citizenship.

## Junior Years (Years 9–10)

A well-rounded curriculum to build strong foundations.

### Maths, English Literature, ESOL

**General Sciences:** Biology, Chemistry, Physics, Agriculture/Horticulture

**Languages:** English, German, Te Reo

**Arts:** Painting, Visual Arts

**Technology:** AI or Robotics, Woodwork/Construction, Aquabotics, Engineering

**Music, PE, and Social Sciences**

## Senior Years (Years 11–13)

Work towards the NCEA, New Zealand's top high school qualification.

### Choose advanced courses in:

Sciences, Sustainable Marine Science

Calculus, Statistics, Business

English and Social Sciences

Art, Music, Technology, Photography, Graphics & Design, Hospitality

Sport and Outdoor Education

Rugby & Basketball Academy & Sea Diving

University-ready academic pathways and scholarships

## Achieve Academic Excellence in New Zealand *Your Pathway to Global Success*

### ESOL Classes - Years 9-13

Specialist **ESOL** teachers provide targeted English support to help international students thrive in class and beyond.

## Beyond the Classroom *Explore, Lead, Create*

### Experience the Outdoors

We believe that learning goes beyond the classroom. With easy access to some of New Zealand's most beautiful natural areas, including the **Marlborough Sounds** and our local **Rotoiti Lakes district, Tasman**, students have amazing opportunities to explore, grow, and connect with nature through: School Camps, Science and Social Study and sports trips.

### Homestay: Kiwi Hospitality

Living with a local family immerses international students in New Zealand's culture while improving their English in a supportive environment. private rooms, meals, and a homely atmosphere that makes every student feel like part of the family. Regular events are organised with Marlborough Girls' College to foster community connections.

## Why choose us?

**Discover Your Potential at Marlborough Boys' College (MBC) and Marlborough Girls' College (MGC) as we work closely together, are only 2.5kilometres away from each other or 5 minutes by car.**

Join our vibrant and welcoming school community in sunny Blenheim, the heart of the stunning Marlborough Sounds! We have a safe and inclusive environment, and encourage our young men and woman to embrace the different opportunities on offer at MBC & MGC to advance their academic studies. MBC has 1050 students, we celebrate our student's strengths and help grow confident leaders and lifelong learners.
